PROFILE

Experienced developer with a full time background in developing and maintaining websites. Skilled in collaborating and ensuring timely project completion. Strong attention to detail, problem-solving abilities, and excellent communication skills. Ready to bring expertise to your organization and deliver high-quality solutions that meet client requirements and exceed expectations.

EMPLOYMENT HISTORY

Digital Developer, R&R Partners
Remote Full-Time

Apr 2021 — Present

- Developed and maintained impactful websites, engaging landing pages, visually appealing HTML emails, and efficient internal web-based tools.
- Showcased expertise in collaborating with prestigious brands like Boeing, Bally Sports, and LVCVA, delivering exceptional results and meeting their unique requirements.
- Skillfully managed project timelines and effectively communicated deadlines, ensuring the timely completion of deliverables in a dynamic and fast-paced environment.
- Demonstrated excellent training abilities by onboarding third-party developers using live video chat platforms, while also creating comprehensive documentation and training videos for an in-house content management system.

Web Development Tutor, Wyzant
Remote Freelance

Jan 2021 — Present

- Tutored students in web development, accumulating over 85 hours of tutoring sessions.
- Received stellar feedback from students, earning over 33 5-star ratings for my teaching abilities and support.
- Maintained a remarkable 4-minute response time, ensuring quick and efficient communication with students.
- Garnered positive reviews, showcasing students' satisfaction with my patient and engaging teaching style.
- Empowered students with the knowledge and skills necessary to excel in web development.

Front End Developer, Local Food Marketplace
Remote Contract Work

Dec 2021 — Nov 2022

- Developed and maintained the user experience for an application aimed at helping farmers efficiently manage and track their products.
- Translated Adobe XD design files into flawless and responsive web pages, ensuring pixel-perfect execution.
- Collaborated closely with in-house web designers to bring sleek and innovative UI designs to life, enhancing the overall user experience.

- Actively engaged with stakeholders throughout the development process, obtaining their input and feedback to confirm creative proposals and align with design best practices.

Front End Developer, Dark Matter Consulting   Remote Contract Work

May 2020 — Mar 2021

- Built custom Bootstrap themes using Razor components in a .NET environment, ensuring visually appealing and unique designs.
- Successfully converted Adobe XD designs into pixel-perfect and responsive web pages, maintaining consistency and accuracy across different devices.
- Developed the front-end components for both customer-facing websites and internal admin dashboards, providing seamless user experiences and efficient management tools.
- Collaborated closely with cross-functional teams, including designers and backend developers, to ensure smooth integration and delivery of high-quality front-end solutions.
